

1. I love having K-LOVE in the Austin area. It is very inspirational and uplifting programming.
 2. Without K-LOVE in the area, Austinites will not have a choice in the Christian music programming available.
 3. K-LOVE offers a wider world view than the other Christian radio station in Austin and I would like to continue to have choice in my radio programming.
- Thank you for considering my request to keep K-LOVE strong in Austin.
